Every staying guest is required to register in advance. Young people travelling alone are admitted on a limited basis. At least one person aged 21 or over must be present throughout the stay. Lodgers can register at reception on arrival. Please note; it is not allowed to stay with more people (including children and babies) than the maximum number indicated. Topcampings.be may in this case deny the (co-)holiday maker the use of the accommodation. The holiday maker will not be entitled to a refund. It is not permitted to swap persons during the stay.

LOCAL COSTS

When your reservation is final and your car card has already been printed/sent, you can only register additional persons as guests. The regular guest rate applies to this (excl. bed linen). PREFERRED BOOKING

When recording certain preferences regarding the accommodation/camping pitch or the location of the accommodation/camping pitch, Topcampings.be charges €17.50 preference costs per accommodation/camping pitch. PLEASE NOTE: this is not possible via all tour operators. Inquire about this in advance.

TO BOOK

COVID-19 When making a reservation, you should take into account that COVID-19 measures may be in force. This means that we adhere to government guidelines and that, if required, additional measures have been taken at our holiday parks. It is possible that we have adjusted opening hours and that few or no facilities are open. A change in facilities or opening thereof, imposed by these restrictions, is not a valid reason to cancel your reservation free of charge.

REBOOKING GUARANTEE / CHANGE FEES

If you wish to make a change to an existing reservation, for example by changing the period, changing the holiday park or changing the travel group, Topcampings is not obliged to implement these changes. Topcampings itself determines to what extent the change requests are granted based on possibilities and availability. You have up to 4 weeks before the arrival date to make a change to your reservation. For this we charge €18.50 in change costs, unless the costs of the reservation are higher. The change costs will then be waived, but you will pay the higher costs for your reservation. If the costs of your reservation become cheaper than the original price, you will not receive the difference back. In principle, it is not possible to make changes in the 4 weeks before arrival.

OTHER PROVIDER

The above rebooking guarantee applies to holidays booked directly via Topcampings. If you have booked with another provider, ask them for the conditions on how to change the reservation.

HOW DO I REPORT MY CHANGE?

You can contact the reservation department for this via the telephone numbers of the campsite, which can be found on the website. Of course you can also send an e-mail to: info@topcampings.be. We will be happy to assist you.

These booking conditions apply to all bookings, made directly or indirectly with Topcampings.be. Deviations in the descriptions of our accommodations/camping pitches are possible. The content of our publications is subject to change. Obvious printing errors do not bind us. Changes ordered by third parties that are unknown at the time of compiling these booking conditions will apply as a matter of course, without this being possible to be announced in advance. All previous booking conditions are hereby cancelled. Price changes reserved.
